Upon successful submission, you will see a pop-up as shown here, confirming the submission.

The status of the application can be tracked from the Diagnostic Basic Information Section.

An e-mail containing the submission details will also be sent to the registered e-mail.

Congratulations on successful submission of application under AB PM-JAY.

FAQ

- **Shall New ID be created every time to login?**
  - ✓ No, diagnostic ID is created only once, and should be retained and used the same every time. However, password can be regenerated if required by using “ Forgot Password”.
- **Can the application be saved in mid way to submission?**
  - ✓ The application be saved at any point during the filling process by pressing the ‘Save’ key that appears at the bottom of every page of the form
- **Can the previously filled data be retrieved later?**
  - ✓ The previously filled application can be retrieved if the same username and password is entered to retrieve the previously filled application.
- **How can it be ensured that all the mandatory requirements are filled before submission ?**
  - ✓ The ‘Check Eligibility’ button at the bottom of each page will allow the user to ensure that all the mandatory requirement for the selected specialization are met before submitting the form.
- **After the submission of application, how do the diagnostic center get to know weather they are registered or not?**
  - ✓ The diagnostic center will be informed of the final decision within 30 days of the submission of application. After registering on the web portal, the diagnostic center user will be able to check the status of their application.
- **Can the diagnostic center use the same Pan Card for Multiple Centers?**
  - ✓ Yes, they can use same Pan Card for Multiple centers only when the “ Parent Type” is selected as Group during the application for diagnostic center in HEM Portal
